9.62.120. Permit for exclusive use--Application--Standards.

(a) A permit shall be obtained from the director for exclusive use of any park facility or area designated for such use by the city council.

(b) Application. A person seeking issuance of a permit hereunder shall file an application with the director. The application shall state:

- (1) The name and address of the applicant;
- (2) The name and address of the person, persons, corporation or association sponsoring the activity, if any;
- (3) The day and hours for which the permit is desired;
- (4) The park or portion thereof for which such permission is desired;
- (5) An estimate of anticipated attendance;
- (6) Any other information which the director finds reasonably necessary to a fair determination as to whether a permit should issue hereunder;
- (7) Whether or not a "system for amplifying sound" is proposed to be used and the purpose or purposes for which it shall be used.

(c) Standards for Issuance. The director shall issue a permit hereunder when he finds:

- (1) That the requested area of the park is available during the period for which the permit is requested;
- (2) That the expected attendance does not exceed the capacity established for the area of the park requested;
- (3) That the use for which the permit is sought complies with the use established for the area of the park requested;
- (4) That the applicant has met any time limit set by the city council for reserving the area of the park requested;
- (5) That if a "system for amplifying sound" is to be used, the use thereof will not interfere with or detract unreasonably from the general public enjoyment of the park or surrounding area;
- (6) That the proposed activity is not, in the judgment of the chief of the department of public safety, of a size or nature that would require the diversion of so great a number of public safety officers as to jeopardize the provision of fire or police protection to the remainder of the city.

For the purposes of subsections (2) and (3) above, the established uses and capacities for the several parks and areas of parks subject to exclusive use shall be those approved from time to time by the city council.

(d) Effect of Permit. Except as otherwise authorized by the director in writing, and subject to such reasonable conditions as the director may impose, a permittee shall be bound by all park rules and regulations and all applicable ordinances fully as though the same were inserted in the permits. (Ord. 2685-01 § 3: Ord. 1686-73 § 1: Ord. 1553-70 § 2: prior code § 4-11.12).
